

Association of Professional Gardeners Membership Form

With the economy in the condition it is in the APG board has decided that this association needs some **Recession Re-leaf**. So a regular membership which includes a single voting member and one dual member in March, 2010 will be \$36 and pay for membership from March - August. In September, 2010 your membership will be \$72. We are also offering a new membership category this year; it is a Corporate Membership, which will include a single voting member, one dual member and any additional employees. The Corporate Membership in March, 2010 will be \$47, in September, 2010 it will be \$95. We sincerely hope that this will help all members financially, since we realize that professional gardeners have a better cash flow during the summer.
